

## Los Angeles County Voter Guide

The 2026 ballot is REALLY long! With confusing ballot measures and hundreds of candidates running for office, some might feel overwhelmed.

We have researched, vetted, and issued an endorsement on a large amount of statewide races to help make voting easy! These candidates are the best picks that will fight for: lower taxes and cost of living, safer communities and supporting law enforcement, fixing failing schools and stopping extremist curriculums, solving the homeless and drug crisis by addressing addiction and mental health, and enforcing the law and locking up criminals. These are candidates that will enact **Plan Z: The Gen Z Agenda** to fix California!

2026 is a prime opportunity for electing these common sense candidates — but we can't do that without your vote and your help. Make sure to share this voter guide with your friends and family. And please consider contributing to support our efforts to get the message out!

### Statewide Ballot Measures

#### No on Prop 1: Borrows \$11.25 Billion for Costly Housing Projects

Politicians want to borrow \$10 Billion on the taxpayers' credit card — and you'll pay back over \$17 billion with interest. Provides taxpayer-funded subsidies to developers without reforming costly mandates that make housing so expensive. Prop 1 does nothing to make housing more affordable. Many of the boondoggle projects supported by this bond will cost more than \$1MILLION per unit! Campaign contributors to politicians also get special contracts under Prop 1.

#### No on Prop 2: Guts State Budget Spending Limit and Cancels Tax Rebates

**\*\*DECEPTION ALERT:** *Appears on your ballot with the politicians' FALSE ballot title of "Increases State's Rainy Day Fund."*

Prop 2 claims to create a bigger rainy day fund in the state budget, but in reality it creates a new slush fund for politicians to engage in more wasteful spending. Prop 2 eviscerates the current voter-imposed spending limit on state politicians. Worse, it virtually eliminates the requirement that taxpayers receive tax rebates if revenues exceed the spending limit. With Prop 2, politicians get to keep more of your money so they can waste more of your money.

#### No on Prop 3: Income Tax Increase

**\*\*DECEPTION ALERT:** *Biased title plays up funding for schools and health care without accountability for how the money is spent.*

Makes permanent California's highest-in-the-nation income tax rates at a time when California is losing employers, jobs and taxpayers to other states and seeing lower tax revenues as a result. Worse, Prop 3 does nothing to reform wasteful spending in the programs it purports to fund, so taxpayers will not see better services. This tax was sold as "temporary" in 2012, extended in 2016 and now politicians want to make it permanent before it even expires.

#### No on Prop 4: Gives Your Tax Dollars to Politicians' Campaigns

**\*\*DECEPTION ALERT:** *False cost estimate of only a "few hundred thousand dollars each year" when it will cost MILLIONS a year.*

Repeals a previously approved ban on public financing of politicians' campaigns. Voters wisely decided years ago that their tax dollars should never be used to fund the campaigns of politicians, but with Prop 4 the politicians are refusing to take no for an answer. They already tried to sneak this through the legislature in 2016. The courts threw it out and ruled that voters must decide. Ten years later they're back, hat in hand, asking to spend your tax dollars on their attack ads. Tell them the same thing the courts did: NO.

#### No on Prop 5: Weakens Citizens' Right to Recall Politicians from Office

Makes it harder to Recall a politician from office and simultaneously replace them with a candidate of the voters' choosing. Under Prop 5, if the voters recall the Governor, you don't get to choose the replacement — the office is automatically handed to the political machine's second-in-command. The decision will be entirely out of the voters' control.

#### No on Prop 37: Borrows \$25 Billion for Costly Housing Projects

Provides taxpayer-funded subsidies to developers without reforming costly mandates that make housing so expensive. Worse, Prop 37 makes the State of California one of the biggest mortgage lenders in America overnight — and taxpayers are left holding the bag for any losses. Many of the boondoggle projects supported by this bond will cost more than \$1M per unit! Campaign contributors to politicians also get special contracts under Prop 37.

#### Neutral on Prop 38: Public-Private Partnership Bonds for Immunology Research

Authorizes \$8 billion in bonds to support immunology research with the repayment coming from proceeds of cures and treatments. This is the only bond on the ballot that puts the strings on the government instead of the taxpayer. Every drug and treatment developed with this funding must be sold in California at 20% BELOW the national average price. Half of the research money is required by law to target cancer, heart disease and Alzheimer's.

#### Yes on Prop 39: Voter ID to Improve Trust in Elections

**\*\*DECEPTION ALERT:** *Appears on your ballot with the politicians' FALSE ballot title of "Prohibits Citizens From Voting."*

Prop 39 is a bipartisan solution for Voter ID! That's why it is supported by large majorities of Democratic, Republican and Independent voters. Prop 39 requires cleaning up and auditing of voter rolls and citizenship verification of anyone registering to vote. It keeps voting simple while adding integrity reforms to make voting more secure. The politicians falsely claim Prop 39 prohibits citizens from voting when it will only prevent non-citizens and ineligible individuals from voting. Prop 39 protects the right of every citizen to vote and restores public trust and confidence in our elections.

#### No on Prop 40: "Billionaire" Tax that Is Really an "Everybody" Tax

Prop 40 is deceptively being sold as the "Billionaire's Tax" but it is really the "Everybody Tax!" Worse, Prop 40 creates the first-in-the-nation Wealth Tax (or Savings Tax) on Californians. Prop 40 contains a provision allowing state politicians to expand the Wealth Tax to everyone without another vote of the public. Prop 40 allows government to tax the value of your savings, checking account, 401k, stock portfolio, and current equity in your home. If you don't have the cash to pay the Wealth Tax, then you'd be forced to sell some of what you own.

#### Yes on Prop 41: Audit Special Taxes

Prop 41 would make it harder for state and local politicians to impose special taxes on you. Prop 41 requires that all special taxes include audits on all revenues raised and programs funded through the tax to prevent waste, fraud and abuse or diversion of the funds by politicians. Prop 41 also requires that these special taxes adhere to the state's constitutionally-mandated spending limit. Under California law, when two conflicting measures pass, the one with more votes wins. Even if Prop 40 passes, a bigger yes on Prop 41 cancels it.

#### Yes on Prop 42: Stop the Savings Tax

Prop 42 would prohibit state and local politicians from imposing a Savings Tax on Californians. Prop 42 would prohibit politicians from taxing the value of your savings, checking account, 401k, stock portfolio, and current equity in your home. We already pay the highest taxes on income, sales, property, gas and our cars — we don't need a Savings Tax on top of all that! If Prop 42 gets more votes than Prop 40, the Wealth Tax dies even if it passes. Every YES on 42 is a second NO on 40.

#### Yes on Prop 43: Local Taxpayer Protection Initiative (Saves Prop 13)

**\*\*DECEPTION ALERT:** *Appears on your ballot with the FALSE title of "Limits Voters Ability to Raise Revenues for Local Government Services."*

Prop 43 is known as the Save Prop 13— Local Taxpayer Protection Initiative. Prop 43 makes it harder for local politicians to raise your taxes by restoring the two-thirds vote requirement on any local tax measures. It also closes loopholes the politicians have created in Prop 13 to violate the property tax caps that voters originally imposed. Opponents of Prop 43 simply want more of your money to fund their waste and fraud. Vote Yes on Prop 43 to turn the tide to make California more affordable.

#### No on Prop 44: Imposes Costly Mandates on Community Health Clinics

Increases mandates and costs on community health clinics, threatening their ability to provide patient care. Clinics that miss the arbitrary 90% mandate pay penalties into a government account and hotwired to a narrow special interest group who is one of the politicians' biggest campaign contributors. Trusted healthcare experts warn that Prop 44 would trigger \$1.7 billion in penalties in the first year alone and force clinics across California to close their doors.

#### Yes on Prop 45: Reduce Housing Costs by Cutting Red Tape

Reduces regulation and combats frivolous lawsuits that have increased the cost of housing projects. California's environmental review law (CEQA) has been weaponized to block and delay housing, adding years and millions of dollars to every project. Prop 45 is the first time voters have ever been handed the chance to reform CEQA at the ballot box.

### Statewide Candidate Races

#### STATEWIDE OFFICES

**Governor:** Steve Hilton  
**Lt. Governor:** Gloria Romero  
**Attorney General:** Michael Gates  
**Secretary of State:** Don Wagner

Joshua Groban - DO NOT RETAIN

#### **Local Ballot Measures**

---

##### **Measure A (YES)**

###### **Los Angeles County Prohibition of Strikes for Essential Employees**

Prohibits essential employees in public safety roles from going on strike, ensuring that essential services will be available to citizens at all times.

##### **Measure B (YES)**

###### **Hacienda La Puente School District Term Limits**

Prevents school board members from being in office for an unlimited amount of time, instead limiting them to two terms.

##### **Measure C (NO)**

###### **City of Burbank Hotel Tax Increase**

Imposes a new costly hotel tax despite massive levels of wasteful spending and awarding contracts without fair and open competition.

##### **Measure E (NO)**

###### **Los Angeles County Ethics Commission Measure**

This measure starts out by fixing flaws with Measure G (passed by voter November 2024) that made modest improvements in the county's ethics commission. Unfortunately, the measure then goes on to reaffirm wasteful government spending on "coddle the criminal" programs that allow offenders to stay out of jail.

##### **Measure G (NO)**

###### **Glendora Unified School District Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.

##### **Measure H (NO)**

###### **City of Cudahy Rent Control**

Raises rent prices by not allowing for competitive pricing and restricting control of private property.

##### **Measure K (NO)**

###### **Keppel Union School District Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.

##### **Measure L (NO)**

###### **City of Lynwood Hotel Tax Increase**

Imposes a new costly hotel tax despite massive levels of wasteful spending and awarding contracts without fair and open competition.

##### **Measure O (NO)**

###### **City of Hawthorne Hotel Tax Increase**

Imposes a new costly hotel tax despite massive levels of wasteful spending and awarding contracts without fair and open competition.

##### **Measure P (NO)**

###### **City of Paramount Business Tax Increase**

Imposes a new costly property tax despite that will destroy jobs to simply support more massive levels of wasteful spending by the city.

##### **Measure Q (NO)**

###### **City of Diamond Bar Sales Tax Increase**

Imposes a costly sales tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

##### **Measure R (NO)**

###### **Valle Lindo School District Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.

##### **Measure S (NO)**

###### **Charter Oaks Unified School District Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.

##### **Measure T (NO)**

###### **City of Culver City Hotel Tax Increase**

Imposes a new costly hotel tax despite massive levels of wasteful spending and awarding contracts without fair and open competition.

##### **Measure U (NO)**

###### **City of San Marino Utility Tax Increase**

Imposes a costly utility tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

##### **Measure W (YES)**

###### **Selling of Bell Gardens Municipal Water System**

Allows the city to sell the Bell Gardens Municipal Water System, creating cost saving measures that the city could not implement.

##### **Measure AA (NO)**

###### **City of Culver City Property Tax Increase**

Imposes a costly property tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

##### **Measure AT (NO)**

###### **City of Inglewood Entertainment Venue Sales Tax Increase**

Imposes a new costly sales tax despite that will destroy jobs to simply support more massive levels of wasteful spending by the city.

**Measure BB (NO)**

**City of Inglewood Elimination of Advertising in Public Right-of-Way**

Ends the allowance of tasteful marketing partnerships on certain available public properties in the city, resulting in less revenue for the city.

**Measure BL (NO)**

**City of Hawaii Gardens Business Tax Increase**

Imposes a new costly sales tax despite that will destroy jobs to simply support more massive levels of wasteful spending by the city.

**Measure CC (YES)**

**City of Burbank Conversion to District Elections vs. At-Large Elections**

Allows for citizens to be properly represented by city council members from their district rather than anywhere in the city.

**Measure CD (YES)**

**City of Burbank City Council District Elections**

Sets forward the standard to have city councilors elected by their district rather than the entire city.

**Measure CL (YES)**

**City of South El Monte Term Limits**

Prevents city council members from being in office for an unlimited amount of time, instead limiting them only being able to serve for 4 years.

**Measure CR (NO)**

**City of Baldwin Park Business Sales Tax Increase**

Imposes a costly sales tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

**Measure CS (NO)**

**Claremont Unified School District Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure CT (NO)**

**City of El Segundo Business Tax Increase**

Imposes a new costly sales tax despite that will destroy jobs to simply support more massive levels of wasteful spending by the city.

**Measure CU (YES)**

**City of Carson Accountability and Transparency Measure**

Increases accountability and transparency for local campaigns, ballot measures, and the duties of the City Treasurer.

**Measure DB (NO)**

**City of Alhambra Data Center Prohibition**

While residents should be demanding data centers are providing their own energy and water without any utility rate increases to residents, a blanket prohibition is not good for public policy. To continue to attract jobs to our city, let's fix the problem of impacts of data centers without banning them entirely.

**Measure DE (YES)**

**City of Palmdale Election of Mayor**

Gives voters the power to elect the mayor of Palmdale in an at-large election.

**Measure ED (NO)**

**El Rancho Unified School District Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure EE (NO)**

**City of Los Angeles Ethics and Elections Measure**

Makes it harder for citizens to exercise their initiative rights to place measures on the ballot.

**Measure EL (NO)**

**City of Whittier Term Limits**

Prevents someone from being elected mayor or to the city council if their term would result in them serving over 12 years.

**Measure ES (NO)**

**City of Santa Monica Property Tax Increase**

Imposes a costly property tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

**Measure EV (NO)**

**City of Whittier Day of Election**

Changes election schedules and practices unnecessarily.

**Measure FD (NO)**

**City of Los Angeles Sales Tax Increase**

Imposes a costly sales tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

**Measure GG (NO)**

**City of Santa Monica Rent Control Board**

Expands the board's regulatory power, increases fees, and strips property owners of power when it comes to rental agreements.

**Measure HB (NO)**

**City of Hermosa Beach Sales Tax Increase**

Imposes a costly sales tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

**Measure HH (NO)**

**Hawthorne School District Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure HP (YES)**

**City of Huntington Park Term Limits**

Prevents city council members from being in office for an unlimited amount of time, instead limiting them to two terms.

**Measure HT (NO)**

**City of Alhambra Hotel Tax Increase**

Imposes a new costly hotel tax despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure LA (NO)**

**City of Los Angeles Infrastructure Measure**

Makes multiple large changes to the infrastructure plan for the city and also creates a two-year budget cycle.

**Measure LV (NO)**

**Las Virgenes Unified School District Property Tax Increase**

Imposes a new costly property tax despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure MM (NO)**

**Inglewood Unified School District Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure OK (NO)**

**City of Cudahy Sales Tax Increase**

Imposes a costly sales tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

**Measure PL (NO)****City of Los Angeles Planning Measure**

Removes many of the voter oversights available for city planning, and instead moves that power to the city council.

**Measure PS (NO)****City of San Gabriel Sales Tax Increase**

Imposes a costly sales tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

**Measure RC (YES)****City of Rosemead General Governance Measure**

Implements multiple good government policies, including term limits for city council members and compensation limits for city council members.

**Measure RM (NO)****City of South El Monte Appointment of Mayor**

Implements the mayor not being directly elected by the voters, rather they would be picked from the 5 elected city council members.

**Measure RR (NO)****City of Santa Monica Prohibition of Evictions**

Prevents property owners from evicting tenants if they are late on rent or violate other terms of the lease.

**Measure RS (NO)****City of Rancho Palos Verdes Hotel Tax Increase**

Imposes a new costly hotel tax despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure SC (NO)****Los Angeles Unified School District Campaign Finance Measure**

Allows for campaign finance rules to be changed by ordinance rather than by the voters, taking power away from the voters and to the Board of Education.

**Measure SG (NO)****City of South Gate Utility Tax Increase**

Imposes a costly utility tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

**Measure SM (NO)****Bellflower Unified School District Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure TE (YES)****City of Los Angeles Property Transfer Tax Exemption**

Provides for a one-time exclusion of the property transfer tax for homes damaged or destroyed by the Palisades fire.

**Measure TT (NO)****City of Santa Monica Hotel Tax Increase**

Imposes a new costly hotel tax despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure UP (NO)****Pasadena City College Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure VV (NO)****City of Santa Monica Eviction Exclusions**

Puts onerous requirements on property owners when conducting evictions, limiting the rights of those property owners.

**Measure YV (NO)****City of Culver City Allowing Minors to Vote**

Allows for 16 and 17 year olds to vote in city and school district elections.

**Measure AAA (NO)****City of Monterey Park Hotel Tax Increase**

Imposes a new costly hotel tax despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure ART (YES)****City of Redondo Beach Commercial Use Measure**

Allows for more commercial use within the city, increasing jobs and revenue that come into the city.

**Measure HOM (YES)****City of Monterey Park Housing Measure**

Allows for underused land zoned as industrial or commercial to be used for housing, while still retaining the safeguards of requiring voter approval for land use.

**Measure PFD (NO)****City of Pasadena Property Tax Increase**

Imposes a costly property tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

**Measure PRK (NO)****City of Los Angeles Parks Budget Increase**

Doubles the minimum budget for the parks department, taking money away from other more essential services.

**Measure PRT (NO)****City of Los Angeles Harbor and Labor Measure**

Reduces flexibility for public funds, resulting in increasing costs for essential services and less voter control.

**Measure PVE (NO)****City of Palos Verdes Estates Property Tax Increase**

Imposes a costly property tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.

**Measure SMS (NO)****San Marino Unified School District Property Tax Increase**

Imposes a new costly property tax despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure SOS (NO)****City of South Pasadena Bond and Tax Increase**

Authorizes increased taxpayer-funded debt despite massive levels of wasteful spending and awarding contracts without fair and open competition.

**Measure TCS (NO)****Temple City Unified School District Bond and Tax Increase**

Authorizes costly bond funded by taxpayer dollars despite massive levels of wasteful spending and awarding contracts without fair and open competition.
